### Work Experience

AVOCA HANDWEAVERS: I worked full time as a retail assistant. Responsibilities involved weekly stock takes, assisting sales and visual merchandising of the menswear department of Avoca.

DIESEL IRELAND: I worked part time as a retail assistant. Responsibilities involved serving, giving advice to customers, stock takes, sorting large deliveries, ensuring the shop floor was fully stocked at all times, organising the layout of the shop and creating imaginative and creative displays within the store.

ANNE ROSSI CLINIC: I worked part time as a receptionist in a health and beauty spa. Responsibilities: providing information regarding treatments, dealing with client enquiries and appointments and also maintaining the marketing and social networking aspect of the business by advertising new treatments and special offers along with online competitions.

CHILD CARE: I have worked locally minding children. This included caring for and controlling the children in their parent's absence. Preparing food for the children and also organizing and taking part in activities such as games and crafts with the children.

### **Fashion Skills:**
